EDUCATION

2024 – 2028 (Expected)

LOKMANYA TILAK COLLEGE OF ENGINEERING

- Bachelor of Technology (Computer Engineering)
- CGPA: 8.1

2024

S.M. SHETTY JR COLLEGE

- HSC (12th) – 82%

2022

LITTLE FLOWER ENGLISH HIGH SCHOOL

- SSC (10th) – 72%

SKILLS

- Programming: Python, HTML, CSS
- Database: SQL (MySQL)
- Backend: REST APIs, Flask
- Version Control: Git
- Tools: VS Code

SOFTSKILLS

- Adaptability
- Teamwork & Collaboration
- Friendly & Positive Attitude
- Punctual & Responsible

PERSONAL

DOB: 15 May 2006

Nationality: Indian

Address: 1/4 Ramnihor Chawl,
Gaondevi, Ghatkopar (W), Mumbai –
400086

PROFILE SUMMARY

I am a Computer Engineering student in my second year, passionate about software development and database systems. I enjoy building web applications and learning new technologies. I have worked on projects using Python, SQL, HTML, CSS, and Flask, and I am always eager to grow my skills through hands-on experience.

PROJECTS

Decision Copilot AI

2025

An AI-powered decision support tool that assists users in making informed decisions by analyzing inputs and generating actionable recommendations.

- Developed the backend logic using Python and Flask for processing user queries.
- Integrated LLM APIs for intelligent response generation and decision analysis.

Library Management System

2025

A web-based system to manage library operations including book issuance, returns, and inventory tracking.

- Built using HTML, CSS, Python Flask, and SQL database.
- Implemented search, issue, and return modules with database integration.

Answer Sheet Evaluation System

2025

A mini project to automate the evaluation of answer sheets using pattern matching and keyword-based scoring.

- Developed using Python with text processing and scoring logic.
- Designed a simple UI with HTML/CSS for uploading and viewing results.

ACHIEVEMENTS

- Pursuing B.Tech in Computer Engineering with CGPA of 8.1
- Completed multiple academic projects integrating backend development with database systems
- Demonstrated consistent academic performance across SSC (72%) and HSC (82%)

CERTIFICATES

- Hackathon Participation Certificate
- Virtual AI Internship Certificate
- Edunet Certificate
